MEDIA RELEASE

FOR IMMEDIATE RELEASE
June 30, 2016

On July 4, 2016, the fireworks display and activities will be held in the area surrounding Beaver Stadium. The fireworks display is scheduled to start at approximately 9:20 PM.

For inbound traffic, Porter Road and Orchard Road will be closed from approximately 8:00 pm until the end of the fireworks. Motorists will not be permitted to park along the streets near the stadium, along the Mt. Nittany Expressway, Route 220 (I-99) or Orchard Road. Parking restrictions will be enforced and violators will be ticketed and/or towed.

At approximately 9:40 PM the following traffic pattern will be put into effect until the outbound traffic has cleared:

- Park Avenue will be one-way westbound from Fox Hollow Road to North Atherton Street
- Park Avenue will be one-way eastbound from Fox Hollow Road to Orchard Road
- Porter Road will be one-way southbound from Beaver Stadium to East College Avenue

Motorists should expect delays during outbound traffic because traffic volume is expected to be equivalent to that of a Penn State home football game.
