MEDIA RELEASE

August 10, 2016

On August 8, 2016, several men, claiming they were operating under the name of Edward's Construction, approached an elderly woman in Boalsburg and offered to pave her driveway at a reduced cost. There is no known company in the area providing this service under the name provided. The woman agreed to services and was scammed. Centre County residents are being advised of this incident and to use caution towards any paving company offering work at a reduced rate.
