Downtown State College Holiday Parking Program

The Downtown State College Improvement District (DSCID) requested that Council review and approve the Holiday & Courtesy parking program for the 2018 holiday season. The 2018 program is the same as the approved 2017 program. It includes free parking validations to be used every day at all municipal parking garages, beginning November 26, 2018, through January 1, 2019. The validations will be provided by the downtown merchants to their customers. The DSCID has also requested the holiday courtesy parking program be done again this year during the same period with only two courtesy cards being issued per license plate. The DSCID also requested that the parking garages and on-street meters become free to all parkers starting on December 17 through Christmas Day on December 25, 2018. Council approved the program for the 2018 holiday season.
